

## Door Guarantee

### Terms and Conditions

- a) Natural variations of colour, texture and grain patterns are not considered defects
- b) Within 7 days of delivery and prior to commencing any work, check your door for correctness and notify Seaview Joinery in writing of any defects or faults.
- c) Doors should be installed in weather protected openings.
- d) If not immediately hanging store flat in a dry area.
- e) Prior to hanging and within 14 days of delivery, six surfaces (2 faces and 4 edges) including behind hinges and lock must receive two (2) coats of paint.
- f) The structural strength must not be impaired in the fitting of the door or the application of hardware.
- g) A maximum of 5mm may be trimmed from any edge of the door and must be trimmed evenly.
- h) Cupping, twisting or bowing of 5mm over a 2000mm is not classified as a defect, and refers to the door itself and not its relationship to the jambs or frame in which it is hung
- i) All doors must be fitted with a minimum 3x100mm hinges; doors larger than 2040 x 820 may require additional hinges.
- j) Exterior finishes must be used on exterior doors.
- k) Exterior doors should be finished in a light reflective colour, dark colours may void warranty.
- l) Inspect and maintain door finish on a regular basis.
- m) The manufacturer will not be held responsible for additional charges of hanging, finishing or other charges arising from repair or replacement of doors.
- n) Seaview Joinery is not liable to reimburse any purchaser for doors repaired or replaced without prior written consent for such repair or replacement to be undertaken.
- o) Your door is covered by a 6 year guarantee.
- p) This warranty does not include transportation to or from the place of repair.
- q) Seaview Joinery will not assume responsibility for doors which become defective due to failure to follow these conditions or hazards of shipment or storage, after the doors leave the control of Seaview Joinery.
